MAIN CLUB SPONSOR

FROM THE MANAGER

DEAR SUPPORTERS,

The summer has started away from the Football Club, and the attention has quickly turned to the excitement of the new season that awaits us. The disappointment of relegation from League 1 will loom in the short term for us as fans, players, and certainly as management and staff, and I think that will remain until we kick-off the new campaign on July 30.

However, the summer ahead, for me and my team, becomes about recruiting for the new season and making sure we try and attract a calibre of player, and personality and character of player, that can define our Football Club and understands the importance of representing Gillingham and helps us to achieve the goal of promotion as quickly as possible.

To do that, I need to build a culture and environment at the Football Club that enables people to thrive and provides an air of excitement and a challenge of being better every day. A big part of that is you guys, our terrific fans, that have supported me personally, and my staff, in the first three months into my tenure, and carrying that passion and backing into the new campaign.

We can't forget the disappointment of the past season, however we have to look to the future and we have to look

at the new dawn, the new challenge, we have to embrace that challenge and create the camaraderie, the togetherness and spirit that I want to build in the Football Club.

Evident

It's certainly been evident in the last few months that the fans want to turn up and watch their team, the players want to go on the pitch at Priestfield and play for their fan base, and for us to have any chance of achieving our goals we need, for the want of a better phrase, bums on seats, and I am already personally looking forward to the 2022/23 season – awaiting the fixture list, awaiting cup opponents etc.

That's what is driving my summer recruitment process at the moment, the excitement of the challenge ahead. It's going to be a summer that disappears very quickly and we want to build a squad that can challenge in the division next year.

The expense of coming to a Football match is never cheap in the modern era, a subject I hugely appreciate having three children myself. However, Gillingham Football Club is built on a foundation of the support from the fan base and your passion and loyalty is heart felt by myself, my

staff, and the squad of players I am going to put together for next season.

I would urge all fans to buy into the project and rebuild that is taking place at the moment and renew your season tickets as soon as possible. In a time where we are seeing prices go up in all walks of life, I am delighted that, after conversations behind the scenes, we have frozen all season ticket prices for the upcoming campaign, with recognition for current season ticket holders, and indeed those who made donations for season 2020/21 but felt unable to attend the stadium at that time. You have been missed and we hope you come back, that in itself displays the commitment of everyone at the club when it comes to wanting to pack Priestfield on a regular basis.

Furthermore, on matchdays, all U14's will go FREE of charge when accompanied by a full paying adult or senior and I think that also shows our devotion when it comes to creating fans of the future, and maintaining our commitment to being a strong and proud "family club."

Thank You very much for your consistent backing and support, I cannot wait to see you all at Priestfield in July.

Together, we can achieve.

Enjoy your summer. **Neil**
